

**CONTOUR ELITE**  
ADJUSTABLE BED

The Contour Elite Adjustable Bed Base has an extensive list of features that uses proprietary Extension Deck Technology to actively optimize the shape of the mattress and relieve compression when in an elevated position. This fully equipped base include features like built-in Massage Therapy, Auto Head Tilt, Under Bed Lighting and two programmable position option. This one-of-a-kind foundation provides ergonomically correct support that evenly distributes pressure, relieving joint and muscle pain.
